Profile Summary

- I am a dedicated and detail-oriented professional with a strong educational background and hands-on experience in software development. Currently pursuing an MCA (Computer Application) from Savitribai Phule Pune University, I hold a BCA (Computer Application) from AJMVPS New Arts, Commerce, and Science College, Ahmednagar. My academic achievements include a CGPA of 7.80 out of 10 for MCA and 8.91 out of 10 for BCA.
- With a blend of strong technical skills, academic excellence, and real-world project experience, I am well-equipped to contribute effectively to software development projects and thrive in dynamic and challenging environments.

Work Experience

Internship - Python Intern

Remote Data e-Xchange PVT LTD - PUNE JANUARY 2024 – APRIL 2024

- Work on Real time project of ISKON YATRA-2024

Academic Projects

Hospital Management

Tools: Java, MySQL, Eclipse IDE

Roles: Hardware Program, Full-Stack Desktop application

In this project, we developed a GUI-based project, a Hospital Management System. The users are able to perform the operations such as Admin Login, Patient details, Doctor details, Room details, and Services.
